

### **Update in our Cancellation Policy Due to COVID-19:**

We hope that you and your family are all safe and healthy. Although we know that traveling can still be challenging, Carimar is fully operational and open and is looking forward to welcoming our guests back to Anguilla. We at Carimar are ready to welcome you back.

We have implemented safety measures to make sure to keep everybody safe, so that your time in your 'home away from home' with us in Anguilla is still special. We do understand that none of us know with 100% certainty what the next months will bring. To that end, until further notice, Carimar Beach Club is offering you flexibility, in case your travel plans are affected **by new official travel restrictions**. In such cases, you can reschedule your vacation with us at no additional costs for a period of up to 13 months from your original arrival date. As an alternative we can also offer a full refund of your deposit should your reservation be affected by any **new official COVID-19 restrictions** and fall within the 60-day cancellation period. Please contact us at [carimar@carimar.com](mailto:carimar@carimar.com) or call us Toll-Free at 800-681-6956 (USA and Canada) or 264-497-6881 to answer any questions or to reschedule your trip.

When you are ready, we will be ready to provide you with a much-needed escape to relax and rejuvenate during this stressful period. Please take care of yourselves and your family. Continue to follow us on Facebook for the newest updates where it is our pleasure to share with you a little piece of paradise until we can welcome you back. We are here for you.
